WHY ORAL HEALTH MATTERS

A HEALTHIER SMILE **SUPPORTS** A HEALTHIER WORKFORCE.

BETTER HEALTH

Oral health is an important part of overall wellbeing.

GREATER PRODUCTIVITY

Fewer dental concerns mean fewer disruptions at work.

EARLY PREVENTION

Regular check ups help identify concerns before they progress.

EVERYDAY CONFIDENCE

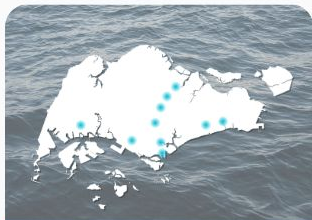

Good oral health supports confidence and communication.

63% of employees are more likely to stay because of their benefits package.

PARTNERSHIP

WHY NUFFIELD DENTAL?

ACCESSIBLE DENTAL CARE

With strategically located clinics across Singapore, employees can access dental care at convenient locations.

CORPORATE-FOCUSED SOLUTIONS

Flexible corporate dental solutions can be structured around the needs of different organisations and their workforce.

COMPREHENSIVE DENTAL SERVICES

Access to a broad range of general and preventive dental services through our network of dental professionals.

EMPLOYEE & FAMILY SUPPORT

Corporate arrangements can be extended to eligible dependants, where applicable.

CORPORATE DENTAL EDUCATION

Dental screenings and educational talks can help organisations promote greater awareness of oral health among employees.

Business Intelligence

SCANO AI

Preventive Healthcare Powered by Artificial Intelligence

AI-powered oral health screening that improves accessibility, promotes early detection and connects patients with personalised clinical care.

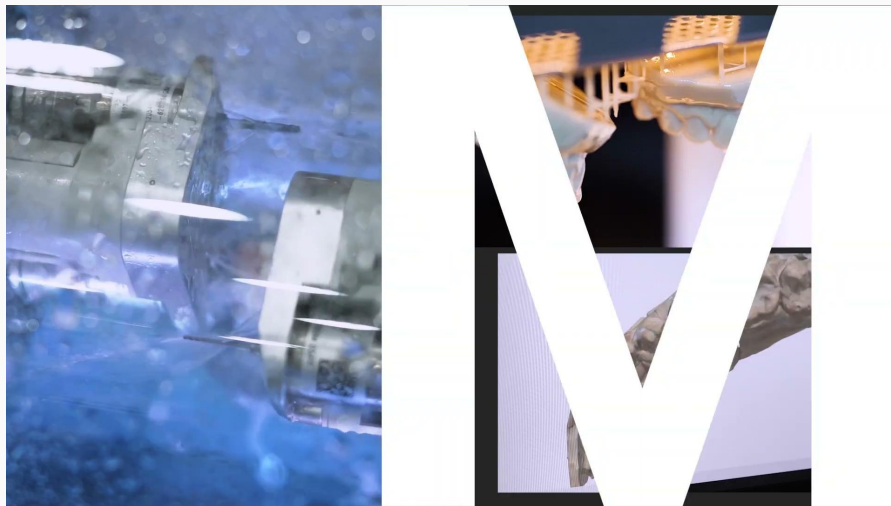

NUFFIELD MEDICAL

Integrated Primary & Specialist Care

Delivering comprehensive medical services that complement dentistry and support lifelong patient relationships through coordinated healthcare.

MC CERAMICS

Digital Dentistry. Precision Manufacturing.

Our in-house digital laboratory integrates seamlessly with our clinics, delivering faster turnaround, greater precision and consistent quality through fully digital workflows.

NUFFIELD PHARM

Trusted Healthcare Products

Our fast-moving consumer healthcare business delivers oral care, healthcare and pharmaceutical products, extending the Nuffield brand beyond the clinic.

***Featuring Orasyl Orange**, part of the Temasek-supported COVID-19 community outreach programme.

MEDIDENT

Supporting Healthcare Professionals

Supplying dental equipment, instruments and consumables that enable clinicians to deliver high-quality patient care across the region.

NUFFIELD ACADEMY

Developing the Next Generation of Healthcare Professionals

Training dentists, dental nurses and dental receptionists through continuing education, implant programmes, wisdom tooth surgery workshops and **Singapore Dental Council Certificate of Competence** courses.
